

EDUCATION MINISTRY

Sharon E. James, Minister of Education

Sunday school is provided for all ages from 9:45 - 10:40 AM on Sunday mornings. The Lord has provided committed and creative teachers for Sunday morning Bible study for all age groups. The tasks of Sunday school come directly from the mission of the church:

- ◆ the tasks of reaching people and involving them in Bible study,
- ◆ the tasks of worshipping, witnessing, and winning persons to Christ,
- ◆ the tasks of involving them in a ministry of loving, caring, and growing.

The Sunday school is, in essence:

- ◆ the church reaching people and enrolling them in Bible study,
- ◆ the church teaching the Word of God and witnessing to persons who need Jesus Christ as Savior,
- ◆ the church helping Christians grow through Bible knowledge and learning to minister to others,
- ◆ the church providing an atmosphere for fellowship.
